

Dear Achen,

Greetings from Sinai Mar Thoma Center.

As you know 2013 is the Jubilee year of our Diocese. The Diocesan council has decided to form a 'Regional Activities Committee' (RAC) in all eight regions of the Diocese to plan, prioritize and implement various regional programs and projects as part of Jubilee Celebration. The members of RAC include the **Achens, Parish office bearers for the year 2013, Mandalam and Assembly members in the respective regions**. A meeting is scheduled to form RAC in Southern Region of our Diocese through a tele-conference on Wednesday, January 23, 2013 at 9:30 p.m. (US EDT). The Diocesan Episcopa will preside over the meeting. Kindly announce this in the Church and invite the persons concerned from your parish.

The Conference call number: Private (only for Ex. Committee)

If you have any suggestion from your parish, please intimate that (2 names) also before Monday, January 14, 2013.**
